

VARIUSmed

Multi-purpose customized basin

EASY TO MAINTAIN AND ROBUST

- The material, surface and design make VARIUSmed multi-purpose basins the ideal working medium in medical facilities.
- The basins can be ordered with 1 or 2 bowls, and the tray areas can be ordered customized to the respective spatial conditions and application requirements.
- The pore-free, smooth Gelcoat surface, which completely coats the resin bonded mineral material, is dirt repellent and easy to clean.
- The material features a high resistance to impact and abrasion, high colour stability, high stability towards changes in water temperature and it is also resistant to chemical stresses such as those caused by the use of disinfectants.
- A front splash-guard edge across the entire width of the multi-purpose basin prevents water from dripping onto the floor.
- Special repair sets make it easy to repair surface damage.

The generously dimensioned, seamlessly incorporated bowl with large inner radii is particularly user-friendly and easy to clean.

FRANKE

VARIUSmed multi-purpose basin

made of MIRANIT resin-bonded mineral material, with a non-porous smooth surface (temperature resistant up to 80°C) coated all around. Alpine white colour.

With up to 2 seamlessly integrated bowls with large inner radii, without overflow. Variable bowl spacing. Splash-guard edge front and back.

With tube overflow DN 40 x 200 mm. Including fastening material (screws, dowels, wall bracket, consoles).

Bowl dimensions (W x H x D): 600 x 350 x 500 mm

When using stainless steel consoles:

Dimensions (W x H x D): 800 – 3200 x 375 x 600 mm

Center-center spacing of the bowls min. 800 mm

When using MIRANIT consoles:

Dimensions (W x H x D): 950 – 3200 x 375 x 600 mm

Center-center spacing of the bowls min. 950 mm

Example of VARIUSmed multi-purpose washbasin with laterally positioned bowl

Customized fit to building specifications

Detailed specifications such as installation type and basin spacing, etc. are detailed on planning sheets for each specific project (to be requested from Franke).
