

## New Franke.co.uk website has launched!

We are excited to announce that after several months of development we have recently launched our new Franke.co.uk website. Its simplistic and contemporary design uses beautiful new lifestyle photography and 'Make it Wonderful' graphics, and the interactive control panel makes it user friendly and really simple to navigate. It has also been optimized to suit smaller screens so you can access via your smartphone or iPad whilst out on the go or talking to customers in the showroom.
