

PRESS RELEASE**Date: April 2016****Franke's new Nyon tap is a modern classic**

The modern classic styling of the new Nyon monobloc tap from Franke's Specialist Range makes it a design-versatile tap for both traditional and contemporary kitchens, while its solid stainless steel manufacture assures a robust tap that's built to last.

The 328mm high Nyon is easily operated by a single side lever. It has a spout reach of 220mm and rotates a full 360° so is ideal for use with a double sink.

The Nyon joins Franke's 'Portfolio 55' collection, with Franke offering a five year guarantee on the finish as well as parts due to these taps' particularly high quality and precision manufacture.

The Nyon is available now and is one of the latest additions to the Franke Specialist Range tap portfolio. Further information is available from: 0161 436 6280 or www.franke.co.uk
