

PRESS RELEASE**DATE: MARCH 2016****Roll up, roll up, for a free Franke Rollamat**

When you are planning your next kitchen revamp, you can get your hands on a Franke Rollamat, the award-winning multi-purpose kitchen accessory worth £67.00, free of charge when purchasing a Mythos MTG Fraganite or Mythos MTK ceramic sink.

This cleverly designed piece of stainless steel and rubber can be used for a multitude of tasks. It rolls out onto your worktop as a trivet to protect the surface from hot and heavy cookware, which can be put straight on the Rollamat from the oven, hob or grill. It's also handy for draining glasses or crockery and pops neatly over the drainer on specific Franke sinks models.

When not in use, its innovative design means it just easily rolls up to be put away.

The Rollamat is automatically included free of charge when you buy a Franke Mythos MTG Fraganite or Mythos MTK ceramic sink, available from kitchen retailers nationwide.
