MAKE IT WONDERFUL

Maximum enjoyment meets streamlined footprint – our unique SB1200 for true flexibility and customer satisfaction.

In its new, compact format, Franke's Specialty Beverage Station takes its one-of-a-kind to-go coffee experience to any customer environment while still offering maximum choice at minimum effort. Just like the original, this smaller footprint SB1200 fully automatic coffee machine is packed with Franke Coffee Technologies for creating a vast variety of beverages – from espresso and milk/foam beverages to iced coffee, cold brew, and flavored drinks.

Boost your business. Offer cold brew, a variety of milks and flavors – compact components fit the space you have.

Create the experience you want to give your customers. The SB1200's new compact footprint lets you decide how it fits into your coffee business environment. Featuring the sleek, new SU12 media cooling unit, this unique solution stores and prepares two separate media types. Choose any two media, 2 milks, or 1 milk and 1 cold brew, for a vast variety of coffee beverages prepared to customer expectations.

- ◆ Widest range of beverages, one coffee machine
- ◆ Each media is kept completely separate from cooling through to cup
- ◆ SU12 media cooling unit can be used above or under the counter
- ◆ SU12 features built-in Franke CleanMaster for effortless yet highest hygiene
- ◆ On-screen prompts alert staff for refilling
