Introducing the Heritage Collection

Bridging the gap between timeless style and superb functionality, our Heritage Collection is the ideal fit for your kitchen, home and style, and offers a choice of designs and configurations, plus accompanying accessories.

From the full-on country living styling of the Cotswold, to the elegant Edwardian look of the Gloriana Classic and the clean, classic Orlando, the Heritage collection embodies a golden age of craftsmanship; brought right up to date by the latest manufacturing technologies.

The Heritage Collection from Franke - putting the class into classic design.

SITTING PRETTY

Go for the glorious Gloriana

Pair it with your perfect Franke sink for a completely classic look

A timeless tap that suits both modern and traditional décor, let the Gloriana range provide you with plenty of design inspiration.

GLORIANA FAMILY

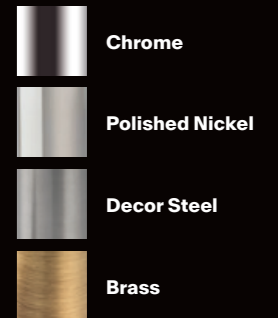

The Gloriana range boasts a harmonious consistency across body, spout, lever, collar, aerator and plinth. Available in a choice of warm or cool metallic finishes, these taps can work with either natural wood or painted cabinetry.

The Gloriana Classic Twin Lever in our fabulous Polished Nickel finish is a winner in any setting.

For a fully coordinated look, team up the Gloriana Classic Side Lever tap with our Perla Pull-Out Rinse – both of which work wonderfully with any of Franke's lustrous white ceramic undermount sinks. Or make a statement, with the original Gloriana. Either way, there's a Gloriana for you.

COSY UP

with cottagecore

Tap into the trend for nostalgic, simpler living

The Cottagecore trend has woven its nostalgic aesthetic into the heart of our homes. Rooted in a yearning for simplicity and a connection with nature, Cottagecore kitchens represent a return to traditional values and tastes.

Combining rustic charm and vintage allure, achieve the look with open shelving, mismatched handcrafted pottery, weathered wooden surfaces, natural stone and vintage kitchenware.

Colour-wise, the palette leans towards soft, earthy tones, creating a relaxed, welcoming atmosphere and an enchanting, inviting space you'll love to cosy up in.

Get the look

- Plants and flowers can bring the outdoors in, with floral wallpapers and botanical prints also giving your space a more nature-inspired feel
- Wooden boxes and woven baskets can add to the natural aesthetic, while also providing useful extra storage space
- Textiles add texture, warmth and comfort, so accessorise with layered rugs, lace doilies and embroidered pieces
- Vintage fits perfectly in the trend, as can classic, timeless designs like those in our Heritage Taps Collection

NEW Polished Nickel – design with more depth

Doubly appealing, our new Polished Nickel finish combines a bright silver base with signature pale gold undertones - giving designs a distinctive, warmer and more luxurious depth.

Created to complement a wide range of colour schemes and styles, our Polished Nickel taps work wonderfully with a wide range of Franke sinks.

By the same measure, they're the perfect fit with fixtures, handles, lighting and other accessories around the kitchen, creating an altogether more holistic and harmonious look.

Outstanding Orlando

Make it a key feature in your kitchen

A twin lever, U spout design, the Orlando's clean, classic lines have lasting appeal. With a perlator that mixes air into the water, giving it a champagne-like flow, you can bring things more up to date by partnering the Orlando with an inset Fraganite sink in modern Matt Black.

Simple yet oh-so stylish, it's available in a choice of Brass and Polished Nickel finishes.

SIGNATURE STYLE

Come home to the Cotswold

A distinctive, detailed design you'll love to live with

Featuring exquisite antique detailing, the Cotswold reflects bygone era – making this the perfect choice for a timeless farmhouse setting. Match it up with a simple white metro tile splashback, natural wooden work surface and one of Franke's beautiful Belfast sinks for a complete, considered aesthetic.

As with all Franke taps, the Cotswold pairs up perfectly with the Perla Pull-Out Rinse and Augusta Soap Dispenser. To view our full tap range, visit franke.com.
