Accurate weighing system reduces waste, controls food costs

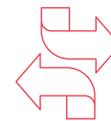

Modular Hopper

Clean in dishwasher or sink, flexible for product mix, easy to assemble

POD refrigeration

Improved serviceability

Bi-directional motors

Prevents jams

Product information:

- Multi-product dispensing - Provides menu flexibility
- Forced air technology - No defrost necessary, no interruption to service
- Modular hopper - Clean in dishwasher or sink; flexible for product mix
- POD refrigeration system - Improved serviceability
- Improved energy efficiency - 27% more efficient than previous generation
- Future IoT capable - Effortlessly connects to WiFi, Bluetooth
- Bi-directional dispensing - Prevents product jams
- R-290 Refrigerant - More friendly to the environment
- Storage for 6 baskets - Efficient workflow is guaranteed
- Field reversible door - Allows for flexible placement
- Hopper capacity 30lbs/13.6kg of typical fries - Respond to high volume

OUTER DIMENSIONS (CM)

Part Number	28531661
Width (X)	28.50"/72.4 cm
Depth (Y)	29.75"/75.6 cm
Height (Z)	78.00"/198.3 cm

ELECTRICAL

Part Number	28531661
Voltage/Frequency	120V/60Hz
Amps	4.6
Watts	530
