

FRANKE

NEXT GEN

SAUCE DISPENSER

Save space and reduce waste with the Next Generation Sauce Dispenser. This innovative new system delivers maximum product yield while minimizing storage space, packaging and waste. Bring the benefits of space savings, waste reduction, and smooth operations to your kitchen.

Next Gen Sauce Dispenser

Easy Loading and Refilling

Enjoy tool-free opening, thanks to an easily removable handle.

Improved Product Quality

Eliminate the risk of product exposure to air, ensuring the freshness of your sauces.

Optimal Sanitation

Snap-on cap and valves easily disassemble for thorough cleaning, maintaining a high standard of cleanliness.

Compact Storage

Occupies 40% less space compared to #10 cans, freeing up valuable storage space.

Reduced Waste

Enjoy an impressive 98% yield, maximizing profitability.

Eco-Friendly Profile

CRYOVAC pouch packaging combines convenience with efficiency for a significant supply-chain waste reduction.
