Franke Home Solutions

Franke Home Solutions is the world’s leading provider of smart systems for residential kitchens. Drawing on a long history of reliability and expertise, it builds rewarding and enduring partnerships. Franke Home Solutions helps its partners to enhance their businesses and provides its end consumers with an outstanding kitchen and cooking experience by offering complete solutions. With its strong innovation capabilities, Franke Home Solutions creates new and effective products and services in the areas of food preparation (sinks and taps) and cooking (ovens and hoods), thereby expanding into new spaces, such as indoor air quality. As a renowned original equipment manufacturer (OEM), it provides bespoke solutions for customers around the globe.

Systems and solutions

Franke Home Solutions offers products and services for food preparation, cooking, cleaning, waste disposal, ventilation and air treatment in the home. Its range includes sinks, taps, worktops, waste management systems, extractor hoods and cooking appliances, as well as air purifiers and accessories.

Franke Foodservice Systems

Franke Foodservice Systems is a world-leading supplier of innovative kitchen facilities, equipment and supplies solutions that meet the diverse needs of restaurant operators and food retailers. As a full-system manufacturer, distributor and program management partner, Franke Foodservice Systems serves global chains in the quick-service restaurant, convenience store and supermarket segments, helping customers to manage unit growth and implement upgrades to their facilities. Activities include outfitting new or renovated stores, assisting with campaigns to support the launch of new menus or service concepts, and swiftly delivering replacement equipment and other supplies to customers.

Systems and solutions

As a manufacturer and distributor, Franke Foodservice Systems efficiently manages a range of facility and equipment projects for its customers. As an innovator of new technologies for kitchens, it develops products to meet evolving needs in areas including dispensing, hot and cold food holding and transportation. Its solutions also comprise automation and networked operations to support the advanced use of technology by forward-looking customers.

Franke Coffee Systems

Franke Coffee Systems is a leading global provider of state-of-the-art solutions for professional coffee making. It has locations in Switzerland, Germany, the UK, Italy, China, Japan and the US, as well as a worldwide service and sales network with more than 300 partners. Together, they are committed to delivering best-in-class in-cup quality, consistency and beverage variety and to ensuring an outstanding customer experience through constant innovation.

Systems and solutions

Franke Coffee Systems’ comprehensive product range includes fully automatic, semi-automatic and traditional machines, including equipment.
