Gianluca Mapelli

Chief Operating Officer
Franke Group

Born in 1970, Italian, at Franke since 2016

In April 2016, Gianluca Mapelli joined Franke subsidiary Faber S.p.A in Fabriano, Italy, as Operations Director for Hoods. In January 2018, he was appointed Chief Operating Officer of the Franke Group. For 15 years prior to that, he had various management positions in Italy and China at Safilo, a leading eyewear manufacturer and one of the world's largest manufacturers of sunglasses and eyeglass frames, most recently as Plant Director. Before that, he was in a managerial position at Otis Elevator in Italy. Gianluca Mapelli holds a master's degree in Aeronautical Engineering from the Polytechnic University of Milan, Italy.
