2nd Plus X Award for Franke System Line EXOS.

Aarburg, June 27, 2016

After receiving the quality label of the categories, High Quality, Design and Functionality, the current Franke EXOS. line of washbasins and accessories has been furthermore awarded with the PLUS X Award “Best Product”.

The EXOS. range won this Best Product Award because of the most previously achieved quality labels within the same product category .

EXOS. products fit perfectly into public and semi-public washrooms with an elegant and timeless linear appearance. The new harmoniously matched washbasins and accessories show a consistent design language with their straight form.

The range stands out with customized washbasin solutions made of MIRANIT mineral material. Due to elegant single, multiple and disabled washbasins or the accessories with different front materials made of stainless steel, white or black single-pane safety glass that are interchangeable – EXOS. offers architects and planners the aesthetical design of washrooms with a guaranteed feel-good factor.

Franke belongs to the Artemis Group and is a leading global provider of solutions and equipment for domestic kitchens, private bathrooms, semi-/public washrooms, professional food service and coffee preparation. The Franke Group operates worldwide and employs around 9,000 people in 38 countries, generating sales of around CHF 1.9 billion.
