

PEAK

SEMI-PRO KITCHEN FAUCET Model FFPD5550 Stainless Steel

The clean lines and metropolitan elegance of the Peak faucet demonstrate that design and function can hold equal status in your kitchen.

FEATURES

- Solid stainless steel construction delivers corrosion resistance inside and out.
- High arc spout with extendable hose and 360-degree rotation gives you maximum flexibility around the sink.
- Intuitive docking station holds head securely when not in use.
- Dual functioning spray head can toggle between powerful spray and stream, helping to remove even the stickiest foods.
