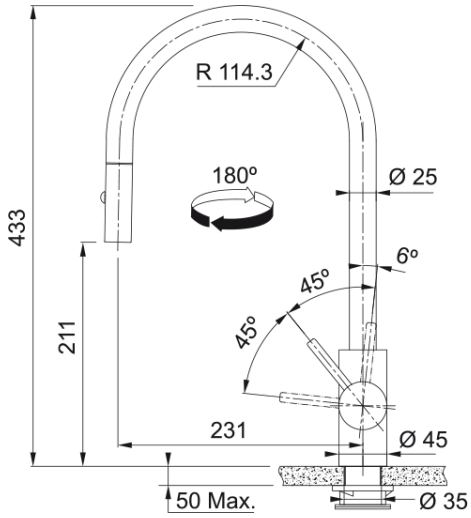
Eos Neo Pull-Down Faucet - EOS-PD-ANT | 115.0700.765



17-in Single Handle Pull-Down Kitchen Faucet in Anthracite. The Eos Neo faucet combines all the advantages of a modern faucet in a straightforward design. Its tall spout makes it ideal for washing vegetables or filling large pots. The laminar aerator ensures a clear, non-splashing water stream with minimal noise, while the single handle allows for precise control over the amount and temperature of the water. This faucet is constructed with 304 stainless steel and delivers corrosion resistance inside and out. The durable PVD finish is resistant to scratching and the color never fades, even with frequent cleaning. The pull-down spray head allows you to quickly toggle between a gentle stream or a powerful spray for efficient cleaning. ADA and AB100 compliant.
