

Cutting Board - PT-40S | 112.0355.965

10.9-in. x 18.5-in. Tempered Glass Cutting Board for Pescara Series Sinks. Custom designed for the Pescara sink series, our tempered glass cutting boards fit securely over your sink to create a multi- functional workspace. The tempered glass cutting board is scratch-stain-odor resistant while providing a stable work area for cutting and prepping. We recommend using the Franke SP-40S cutting mat with the glass cutting board to protect knives from potentially dulling when used on glass.
