

# Style Anti Drip FST ANTI DRIP 90 XS | 305.0662.835

## Technische data

### Productinformatie

|                     |                  |
|---------------------|------------------|
| Afzuigkap categorie | Inbouw           |
| Finish              | RVS / zwart glas |

### Afmetingen

|                    |       |
|--------------------|-------|
| Breedte in mm      | 900.0 |
| Diam. luchtuitlaat | 150   |

### Energiespecificaties

|                               |                  |
|-------------------------------|------------------|
| Stekker type                  | Geen stekker     |
| Annual energy consumption AEC | 54.8             |
| F.dynamic efficiency clas     | A                |
| Light efficiency clas         | A                |
| Vetfilter efficiëntie klasse  | C                |
| Motor vermogen                | 220-240V 50-60Hz |
| Type motor                    | SP A+            |
| Aantal motoren                | 1                |

### Installatie

|             |        |
|-------------|--------|
| Installatie | Inbouw |
|-------------|--------|

### Productspecificaties

|                            |     |
|----------------------------|-----|
| Luchtkwaliteit sensor      | Nee |
| Energie efficiëntie klasse | A   |

### Productomschrijving

|                 |                 |
|-----------------|-----------------|
| Product brand   | Franke          |
| Product familie | Maris           |
| Model programma | STYLE DRIP-FREE |

### Productkenmerken

|                    |                 |
|--------------------|-----------------|
| Aantal verlichting | 2               |
| Verlichting        | LED S2000 4000K |
| Afstandsbediening  | Nee             |

|                  |                             |
|------------------|-----------------------------|
| Waterresistent   | Nee                         |
| UI type          | Touch bediening achter glas |
| Standen          | 4                           |
| Stand snelheid   | 3+i                         |
| 24-uur           | Nee                         |
| Vertraging       | Nee                         |
| Sensor           | Nee                         |
| Wi-Fi            | Nee                         |
| Filter typologie | Rooster                     |
| Filter           | Roestvrijstaal              |
| Koolstoffilter   | Nee                         |

## Prestaties

| Stand                          | 1     | 2     | 3     | Boost |
|--------------------------------|-------|-------|-------|-------|
| Luchtstroom (m <sup>3</sup> h) | 280.0 | 410.0 | 580.0 | 710.0 |
| Max. druk                      | 450.0 | 510.0 | 550.0 | 560.0 |
| Watt                           | 150.0 | 200.0 | 240.0 | 250.0 |
| Geluidsniveau (db)             | 49.0  | 58.0  | 65.0  | 69.0  |
