

Technische data

Productinformatie

|                    |       |
|--------------------|-------|
| Kleur              | Zwart |
| Finish             | Glas  |
| Vermogen begenzing | Ja    |

Afmetingen

|                      |       |
|----------------------|-------|
| Commerciele afmeting | 83X52 |
|----------------------|-------|

Energiespecificaties

|                      |                  |
|----------------------|------------------|
| Totaal vermogen      | 7.4              |
| Voltage & frequentie | 220-240V 50-60Hz |

Installatie

|                  |                    |
|------------------|--------------------|
| Filter typologie | Kookplaatafzuiging |
|------------------|--------------------|

Productspecificaties

|                            |     |
|----------------------------|-----|
| Brug                       | Ja  |
| Veiligheidsslot            | Ja  |
| Energie efficiëntie klasse | A++ |
| Warm houden                | Ja  |
| Smelten                    | Nee |
| Grill                      | Nee |

Productomschrijving

|                 |        |
|-----------------|--------|
| Product brand   | Franke |
| Product familie | Maris  |
| Model programma | MARIS  |

Productkenmerken

|                 |                        |
|-----------------|------------------------|
| Bediening       | Smart KII touch slider |
| Bedieningskleur | Rood                   |
| Kookzone        | 4                      |
| Waterresistent  | Ja                     |
| Tijdklok        | Ja                     |

|                                |                     |
|--------------------------------|---------------------|
| Booster                        | 4                   |
| Stop&Go                        | Ja                  |
| Kookplaat / afzuiging verbindi | Nee                 |
| Zwart LED ind display          | niet van toepassing |
| Vetfilter efficiëntie klasse   | B                   |
| Filter                         | Aluminium           |
| Koolstoffilter                 | Nee                 |

## Prestaties

| Stand              | 1     | 2     | 3     | 8     | Boost1 | Boost |
|--------------------|-------|-------|-------|-------|--------|-------|
| Luchtstroom (m³h)  | 245.0 | 285.0 | 350.0 | 505.0 | 550.0  | 700.0 |
| Max. druk          | 290.0 | 370.0 | 525.0 | 550.0 | 555.0  | 560.0 |
| Watt               | 35.0  | 45.0  | 60.0  | 125.0 | 140.0  | 220.0 |
| Geluidsniveau (db) | 51.0  | 55.0  | 57.0  | 65.0  | 66.0   | 72.0  |
