## Active Pull-Down Faucet - ACT-PD-MBK | 115.0656.858

15.1-inch Single Handle Pull-Down Kitchen Faucet in Matte Black. Delivering exceptional functionality, our Active faucets are designed for improved sustainability, actively saving water and energy. The laminar aerator fitted in the spout ensures the Active Taps delivers a crystal clear, non-splashing water stream with very little noise. At the same time, the stepped lever and ECO cartridge helps you use less water, reducing your environmental impact. The dual-function spray head delivers a more powerful stream thanks to the needle spray. ADA Compliant. This model replaces the FF5820MBK Faucet
