

8.75-in Hot Water Filtered Faucet in Gold. Eos Neo filtration faucets match the rest of the faucet collection in both finish and style and create a coordinated look in your home. The solid 304 stainless steel construction delivers corrosion resistance inside and out. The durable PVD finish is resistant to scratching, and the color never fades, even with frequent cleaning. A laminar aerator ensures the delivery of a clear, non-splashing water stream with very little noise. This filtration faucet is compatible with most under-counter reverse osmosis systems, is NSF 58 certified, and is ADA and AB100 compliant.

Aspect

Spout type	J - spout
Color	Champagne gold
Type of material	Stainless steel 304

Product Dimensions

Faucet hole diameter	31,75 mm
Cartridge dimension	12,70 mm

Installation

Mounting type	Shank
Water supply hose connection	3/8"
Water supply hose length	1524 mm

Product specifications

Pressure	High pressure
Faucet type	Swivel spout
Faucet operation	Side lever
Faucet rotation	360°

Product identification

Product brand	FRANKE
Product family	None
Collection	Eos Neo

Features

Water saving feature	No
Type of aerator	Laminar
Little butler type	Water filtration
Little butler type	Heating tank
