

8.75-in Single Handle Cold Water Filtration Faucet in Stainless Steel. This faucet, when paired with the Franke CT-200 chiller tank and Franke Filtration system (sold separately), can provide you and your family with great tasting cold filtered water for drinking and cooking. Crafted with solid 304 stainless steel construction, our UNL-FW-304 cold water dispenser delivers unparalleled corrosion resistance both inside and out. Designed to complement our range of Franke kitchen products, this filtration faucet adds a cohesive touch to your kitchen.
