The Brookmore stainless steel sink collection will create something truly unique that fits both prepping and cleaning needs. Made with highquality 18-gauge stainless steel with a rich chromium content that helps shield the material from corrosion and prevents bacterial growth. The undermount sink style provides a sleek, modern look and makes cleaning up spills and messes easy. The spacious 9" deep bowl is perfect for soaking and washing stacks of dishes, and the sounddampening system goes to work to reduce the noise caused by a garbage disposal or running water.
